- Mr. Rose discussed staffing updates. Several school employees would be retiring, taking leave of absences, or FML leaving our school short-handed. We are currently flying a math position hoping to fill that need.
- Ms. Johnson discussed grading reform and how the reassessment component for teachers and students can help with regard to grades and content understanding.
- Ms. Johnson discussed the Edulastic and Dreambox programs and how they can assist with standards based instruction and assessments for student achievement.
- Mr. Rose discussed student safety and how social media usage is causing issues at school. Students are posting school and student related content that is causing verbal altercations, fights, and bullying.
